MIAMI INTERFAITH INITIATIVE

MUSLIM SUPPORT FOR OUR JEWISH BRETHREN

We are deeply saddened by the recent attack in Australia that has brought pain, fear, and loss to the Jewish community. On behalf of the East-West Foundation, I extend my heartfelt condolences and unwavering solidarity to the victims, their families, and the entire Jewish community during this time of profound grief.

We unequivocally condemn this act of violence and all forms of terrorism. Such hatred and brutality have no place in any society and must be rejected without hesitation or qualification. Attacks on innocent people, motivated by antisemitism or any other form of bigotry, are an affront to our shared humanity.

Let me be absolutely clear: terrorism and violence do not represent the true spirit of Islam. Islam, at its core, is a faith rooted in peace, compassion, justice, and the sanctity of human life. Those who commit acts of terror in the name of religion distort its teachings and betray its moral foundations.

At the East-West Foundation, we remain committed to fostering understanding, mutual respect, and cooperation among people of all faiths and backgrounds. In moments such as these, it is more important than ever that we stand together—Muslims, Jews, Christians, and all faith communities—to reject hate and to reaffirm our shared values of dignity, coexistence, and peace.

We stand with the Jewish community in Australia and around the world, and we pray for healing, strength, and unity in the face of this tragedy.
